

Diplomas for all levels

» The French Ministry of Education offers a **wide range of diplomas in French as a foreign language that officially accredit students' level** in French, from the first steps of learning up to the most advanced levels.

» These diplomas certify student's proficiency in French **throughout their learning process.**

To register, *“c'est parti!”*

» An exam session is held yearly in May/June. The French Institute of Cyprus, the only accredited examination centre in Cyprus, can give you all the information you need about registering your child for the exams, including entry costs, dates and locations.

DEL F Prim, their first diploma in French

- » DEL F Prim is **the first diploma in French**.
- » DEL F Prim is a diploma in **French language studies** delivered by the French Ministry of Education.
- » It is designed for children in primary school education.

» DEL F Prim comes in 3 levels: **A1.1, A1 and A2**. The levels correspond to those of the Common European Framework of Reference for Languages (CEFR). Your child's teacher will let you know which level you should register for.

DEL F PRIM
A2

A diploma for their future “*oui!*”

- » DEL F validates your child's **communication skills in French**.
- » The DEL F diploma is internationally recognised. It is a key tool that supports your child's French learning process in a step-by-step progress and in a safe classroom environment.

An exam that is specifically designed for young learners

- » During the tests, **your child's confidence will be built**.
- » The materials have been developed by experts specialized in children's literature and are thus **presented in a playful way**. **The topics relate to the child's environment**, for example, his / her family, leisure activities and school.
- » Your child's teacher will tell you **which diploma he or she is able to follow**.

On the day of the exam

Your child will take 4 tests using
colourful activity booklets.

Listening comprehension: understand a simple instruction, an order, a description, numbers and answer questions.

Reading comprehension: understand simple information, a short text, a message or a post-card and answer questions.

Writing: write personal information, complete a message or a simple story.

Oral: interact with the examiner to talk about him / herself, tell a story according to a set of pictures given and take part in a role-play.
